

Metal Magnetic Catch Vertical Fixed Type

Economy Series Magnetic Catch Metal Vertical Fixed Type Product Drawings

DC - MGCEN2

DC - MGCEN1

Specifications Overview

No.	Part Number	M Material	M Surface Treatment
①	Housing	Stainless Steel	Buffed
②	Magnet	Ferrite	—
③	Adsorption Plate	SUS430	Grinding

① The mounting holes are suitable for M3 flat head screws.
The magnet material is ferrite.

Part Number		Retention Force	Weight
Type	No.	(N)	(g)
DC-MGCEN	1	53.93	36.7
	2	88.25	72

Basic Specifications

- **Type** - Magnetic Catches Type
- **Width (mm)** - 15.5
- **Operating Environment** - Standard
- **Magnet Material** - Ferrite
- **Type** - Magnetic Catch
- **Body Material** - Stainless Steel
- **Mounting Method** - Surfacing
- **Main Body Surface Treatment** - Not Provided
- **Magnet Surface Treatment** - Not Provided
- **Magnet Type Category** - Square Shape
- **Catch Plate** - Provided
- **Attraction Plate Material** - SUS430
- **Max. Overall Height when Locked (mm)** - 23.5
