

# Polyurethane Round Belts-Seamless

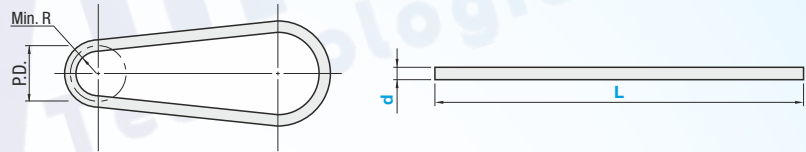

**Features:** Belt has no joint as it is made endless by molding.

## Seamless

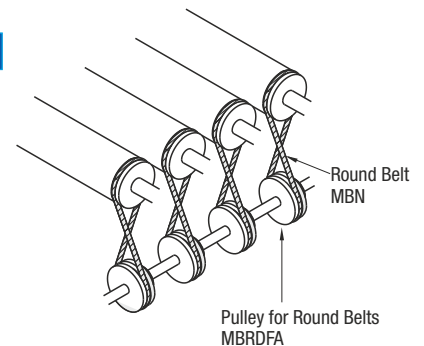

Type	Type	Color	M Material	Heat Resistant Temperature
DMBN	DMBN	Natural Color	Polyurethane	70°C

Part Number		Circumference Length	Length Minimum P.D. of Pulleys	8% Tensile Strength (N)

### Example

### Basic Specifications

- **Belt Shape** - Mold Manufacturing
- **Heat Resistance Temperature (°C)** - 70
- **Type** - Seamless
- **Material** - Polyurethane
- **Color** - Natural Color
